2021 LATE FALL/WINTER SHARE MEMBERSHIP

We are happy to offer you a Late Fall/Winter share. Our late season shares are 7 weeks long and begin November 5th. There will be 7 consecutive weeks of distribution throughout November and December. You will receive a nice variety of storage crops including winter squash, yellow, white and sweet potatoes, onions, celeriac, cabbage, brussel sprouts, carrots, kohlrabi, turnip, kale, leeks, radishes, broccoli, cauliflower and more. We will include a larger pick up the week of Thanksgiving, including apples and pears. Many of these vegetables will store nicely for much of the winter.

Please sign up early, as you know it helps us greatly with our planning!
