FRESH FLOWER SHARE

PRICE \$125.00

We are offering our shareholders an option to purchase a Fresh Flower Share. Each week you will receive a beautiful assortment of fresh seasonal flowers for 11 weeks. It is so energizing to have a fresh bouquet of flowers on your table. These assortments also make great gifts! Give a bouquet or gift a share to someone special - this one pleases all season long! We will be happy to include a beautiful floral photo card from our card designer Robin Lovely. If you are away, the same CSA option applies. Let us know and we will make special arrangements or extend your flower share.
